

Technical questionnaire

bottle gourd, calabash

Version 11

Mandatory fields or sections are marked with an asterisk ()*

01 . Botanical taxon: name of the genus, species or sub-species to which the variety belongs:

Lagenaria siceraria (Molina) Standl.

02 . Application code:

For office use only

03 . Breeder's reference

Breeder's Ref.

04 . Information on the breeding scheme and propagation of the variety

04 . 01 . Type of material *

hybrid

cross-pollinated variety

self-pollinated variety

parental line

04 . 01.01 . Parental line use

(this question could be confidential)

In many cases there is a link in morphological expression of characteristics between the parental line and its hybrids. Therefore, it is recommended to provide information about the identity of hybrid varieties where the parental line is used. This makes the organisation of the technical examination more efficient and lowers the risk of an additional year at the costs of the applicant. This information will only be shared with the examination office in charge of the technical examination.

In accordance with Article 88(3) of Regulation 2100/1994 the Office will treat the information under this section as confidential on request of the applicant.

Please indicate for the production of which hybrid variety(ies) the parental line is used

04 . 02 . Method of propagation of the variety *

seed propagated

vegetatively propagated

Please specify

04 . 03. . Should the following question on genetic origin and breeding method be treated as confidential? *

Yes

No

04 . 04 . Confidentiality justification **(this question could be confidential)*

Please explain why the information is to be considered as confidential and how its disclosure would harm your commercial interests (included but not limited to business relations, manufacturing secrets, expertise, commercial strategies, intellectual property) under Article 4(2) of Regulation 1049/2001. Since the general rule is transparency, it is in your best interest to provide strong reasons to support your request for confidentiality. If a public access request is received, the Office will evaluate your justifications and decide whether to disclose or not the information.

Please provide detailed explanations *

04 . 05 . Information on the breeding method and the genetic origin of the application*(this question could be confidential)*

breeding method

parentage with any other varieties

05 . Characteristics of the variety to be indicated *

(the number in brackets refers to the corresponding characteristic in the CPVO Technical Protocol; please mark the state of expression which best corresponds)

05 . 01 . Plant: length of main stem (2) *

1 - very short

2 - very short to short

3 - short

Koganeizairai

4 - short to medium

5 - medium

Shimotsukeshiro

6 - medium to long

7 - long

Aodainaga

8 - long to very long

9 - very long

05 . 02 . Fruit: shape of fruit excluding neck (10) (G) *

1 - obovate	Tarahumara canteen
2 - clavate	Mayo Giant Bule
3 - oblate	Plate de Corse
4 - round	Canon Ball, Dipper Short Handled Mottled, Kroochneck fr, Medium Thai Bottle fr
5 - elliptic	Basket Ball Brasil, Tonneau Africa, Votavua Monta
6 - cylindrical	Massue Comestible
7 - ovate	Apple, Verruqueuse africaine

05 . 03 . Fruit: length (11) (G) *

1 - very short	Canon Ball
2 - very short to short	
3 - short	Basket Ball Brasil
4 - short to medium	
5 - medium	Mayo Giant Bule
6 - medium to long	
7 - long	Zucca
8 - long to very long	
9 - very long	Snake Speckled

05 . 04 . Fruit: diameter (12) (G) *

1 - very small	Mini Nigerian
2 - very small to small	
3 - small	Massue Comestible
4 - small to medium	
5 - medium	Strawberry
6 - medium to large	
7 - large	Bule Mayo
8 - large to very large	
9 - very large	Gigantesque

05 . 05 . Fruit: neck (13) (G) *

1 - absent or very short	Canon Ball, Plate de Corse
2 - very short to short	
3 - short	Bule Mayo, Drague
4 - short to medium	
5 - medium	Mayo gooseneck
6 - medium to long	
7 - long	Long Handed Dipper
8 - long to very long	
9 - very long	Extra Long Dipper

05 . 06 . Neck: length in relation to length of fruit (15) (G) *

1 - very short	Missionaris
2 - very short to short	
3 - short	Medium Thai Bottle
4 - short to medium	
5 - medium	Long Handed Dipper
6 - medium to long	
7 - long	Duck Australie fr
8 - long to very long	
9 - very long	Extra Long Dipper

05 . 07 . Fruit: number of speckles (18) *

1 - none or very few	Marenka Limegreen Shimotsukeshiro
2 - very few to few	
3 - few	Basket Ball Brasil
4 - few to medium	
5 - medium	Drague
6 - medium to many	
7 - many	Froggy
8 - many to very many	
9 - very many	

05 . 08 . Fruit: texture of skin (20) (G) *

1 - smooth	Kroochneck fr
2 - slightly verrucose	Bule Mayo
3 - moderately verrucose	Warthy Australia fr
4 - strongly verrucose	Verruqueuse Africaine
5 - slightly corrugated	Tol Fravago
6 - moderately corrugated	Marenka Limegreen
7 - strongly corrugated	Marenka

06 . Similar varieties and differences from these varieties

Please note that information on similar varieties may help to identify comparable varieties and can avoid an additional period of testing.

06 . 01 . Are there any similar varieties known? *

Yes

No

06 . 02 . Similar varieties and differences from these varieties: *

Denomination(s) of variety(ies) similar to your candidate variety	Characteristic(s) in which your candidate variety differs from the similar variety(ies)	Describe the expression of the characteristic(s) for the similar variety(ies)	Describe the expression of the characteristic(s) for your candidate variety

07 . Additional information which may help to distinguish the variety *

07 . 01 . In addition to the information provided in sections 5 and 6, are there any additional characteristics which may help to distinguish the variety? *

Yes, specify

No

07 . 02 . Are there any special conditions for growing the variety or conducting the examination? *

Yes, specify

No

07 . 03 . Other information *

Yes, specify

No

07 . 04 . Photo

It is highly recommended to provide pictures (up to five). Otherwise, the organisation of the technical examination will be rendered less efficient, with the risk of an additional year of technical examination at the costs of the applicant. Full guidance on the picture quality can be found [here](#)

07 . 04.01 . Details of the photo(s)

Place and conditions under which the material shown in the photo was grown (e.g. plants grown in the greenhouse vs. grown in the open field)

Date of the photo(s) (month and year)

07 . 04.02 . Attached photo(s)

08 . GMO-information *

08 . 01 . GMO-information required *

The variety represents a Genetically Modified Organism within the meaning of Article 2(2) of Council Directive EC/2001/18 of 12/03/2001.

Yes

If yes, please attach in point 08.02 a copy of the written attestation of the responsible authorities stating that a technical examination of the variety under Articles 55 and 56 of the Basic Regulation does not pose risks to the environment according to the norms of the above-mentioned Directive.

No

08 . 02 . In case of GMO, joint attestation of the responsible authorities stating that a technical examination of the variety under Articles 55 and 56 of the Basic Regulation does not pose risks to the environment according to the norms of the above-mentioned Directive.

09 . Information on plant material to be examined

The expression of a characteristic or several characteristics of a variety may be affected by factors, such as pests and disease, chemical treatment (e.g. growth retardants or pesticides), effects of tissue culture, different rootstocks, scions taken from different growth phases of a tree, etc. Consequently the plant material to be examined should not have undergone any treatment which would affect the expression of the characteristics of the variety, unless the competent authorities allow or request such treatment. If the plant material has undergone such treatment, full details of the treatment must be given. In this respect, please indicate below, to the best of your knowledge, if the plant material to be examined has been subjected to:

09 . 01 . Micro-organisms (e.g. virus, bacteria, phytoplasma) *

Yes, specify

No

09 . 02 . Chemical treatment (e.g. growth retardant or pesticide) *

Yes, specify

No

09 . 03 . Other factors *

Yes, specify

No

DECLARATIONS *

I/we hereby declare that to the best of my/our knowledge the information given in this form is complete and correct.
